

PeopleAlert

Messaging Solutions

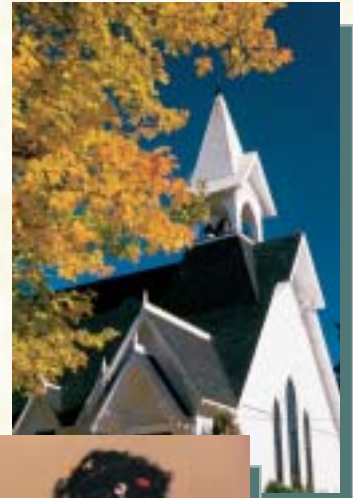

Calm & Connected

With JTECH's PeopleAlert™ silent nursery paging systems, parents can enjoy services and other church activities with the comfort of knowing that they are never out of touch. Staff can also be located immediately.

Our wireless messaging solutions allow churches to enhance their church nurseries, provide young parents with peace of mind and enrich their fellowship communities.

Whether for your church nursery or for staff-to-staff notification, JTECH provides the solution that meets and exceeds your expectations.

Choose the solution that thousands of churches have put their trust in for years...JTECH.

Now You Can...

- ✝ Alert parents immediately when needed in the nursery
- ✝ Locate important staff members quickly and discreetly
- ✝ Reduce distractions during services or classes

*Let JTECH Be Your Trusted Solutions Partner...
Today And For Years To Come.*

PeopleAlert™ Messaging Solutions

The PeopleAlert Desktop Messaging System is the ideal tool for churches that desire silent, immediate and affordable communications. Simply enter the pager number of the person you wish to locate. Notification is immediate to parents or staff members with a vibration, vibrate/flash or numeric message.

Product Specifications

Master Transmitter
